RMTM PROPERTY

BY **RENTMOOLATM**

RentMoola provides a rental industry solutions suite that helps you with your day-to-day management tasks. It automates processes that were done manually, allows your office to go 'paperless', and reduces response times to residents.

Collect

Our online payment platform gives your tenants the ability to pay their rent from anywhere, with any payment method.

Acquire

Make better decisions, faster when choosing the best renters with next generation tenant screening. Then have them sign their lease agreement right on their phone.

Connect

Keep in touch with your tenants via our maintenance request system, messaging center, and document repositories.

Reward

Give your tenants access to exclusive MoolaPerks offers and have them earn rewards their favorite credit card.

Authorized accounting integration partners include:

RENT WITH BENEFITS

Pay

Residents can easily pay their rent online, eliminating the inconvenience of using checks.
