## RENTMOOLA™

RentMoola is North America's leading online rent payment platform. We make collecting rent and property-related fees simple and efficient.

### Simplify Your Rent Collection

- Quicker funding without the need to collect payments and deposit them at the bank
- Faster monthly reconciliation with real time intuitive reports
- Dedicated account professionals and Customer Support to handle tenant inquiries to free up your staff's time

### Flexible Options For Your Tenants

- Pay from any device from anywhere in the world
- Choice of one-time payments, scheduled one-time payments, and recurring payments
- Multiple payment method options
- Tenant support in English, French, and Spanish

### Dedicated Support and Security

- 256-bit SSL encryption for all data transmission
- All credit card and account information is stored in a PCI DSS compliant network
- Dedicated Property Manager and Customer Support teams to answer any questions
